ATTITUDE **Gene Cosmano**

The longer I live
the more I realize the impact
of attitude on life.

Attitude to me is more important
than education, than money,
than circumstance, than failures,
than successes,
than what people think
or say or do. It is more
important than appearance,
giftedness or skill.

It will make or break a company,
a church or home.

The remarkable thing is, we have
a choice every day regarding the
attitude we will embrace for that
day.

We cannot change our past.
We cannot change the inevitable.
The only thing we can do is play
on the one string we have, and
that is our attitude.

I am convinced that life is 10%
what happens to me and 90%
how I react to it, and so it is
with you.
